

Scott School PTA

Information and Membership Form

The Scott School PTA is more than meetings and fundraising. It is parents, educators, staff and community uniting to make a difference in children's lives. The PTA offers its members an opportunity to search for solutions on the issues affecting children, as well as provide a strong voice for public education. The Scott School PTA works closely with the teachers and administration to strengthen the bonds between school, children, families, and the community.

The PTA is a vehicle for sharing ideas, donating time and/or lending financial support to make a difference. Members decide how they would like to give. The PTA is open to parents, legal guardians, grandparents, teachers, school officials and others interested in helping and advocating for children.

There's no easier way to make a difference than by joining the PTA. We believe that once you join, you'll realize how important the PTA is to your family, the students, and everyone that helps make Scott School a great place. Just look at some of the ways that the PTA enriches children's lives and experiences at Scott School:

- Plan and fund the cultural arts program for the school throughout the year
- Organize and financially support after-school programs to broaden students' interests (i.e., learn technology skills, participate in the school play, learn study skills, or join the book club)
- Purchase library books, technology, software and other educational materials for the school
- Assist with beautifying the grounds; purchased a play structure, a new school sign, and the fitness trail
- Provide a venue for children and their families to socialize at events such as Family Night Bingo and an Ice Cream Social
- Sponsor Book Fairs and Math/Science Nights to pique children's interest in their subjects

These purchases, programs and events were made possible through the efforts of our volunteers and the financial support of our membership. Please consider volunteering your time and talents or lending financial support. ***Don't delay and join today!***
